

Club clothing is heavily subsidized by our good friends at Yellow Ltd, our club sponsors.

The next order will be sent late October and with an expected 6 week turnaround we should be in receipt of the goodies early in the new year.

The range of items is as follows:

Training Top (long sleeve, 3 pockets):	long zip.	£22
Gillet (sleeveless, mesh back, no pockets)		£22
Thermal Top (zip pocket):	supreme quality.	£38
Skinsuit (short sleeve, zipped pocket)		£35
Skinsuit (long sleeve, zipped pocket)		£40
Shorts		£20
Bib-Shorts		£23
3/4s		£23
Bib 3/4s		£26
Longs (Roubaix – not lycra)		£27
Bib longs (Roubaix – not lycra)		£28

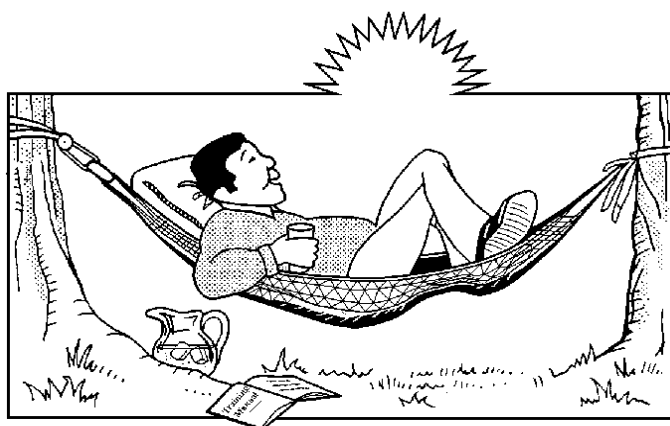

Please note the following:

- Prices are approximate as they are subject to confirmation and are subject to additional discounts if you have contributed to the club in the past season. Details are on the website – refer to the clothing page (link from the Home page).
- I can only order in blocks of 10 per item, so if there is insufficient interest then I will not be able to place the order for that particular item.
- A deposit of £15 per item is required. Balance payable on delivery.
- Sizing is difficult – the best bet is to arrange to come round and try on some items. As a rule of thumb, if you normally buy Medium, order Large.
- Sizes go from Small (tiny!) to XXXL. Maybe XXXXL. Conversion table is on the website, as above. But note the point above to avoid disappointment!
