

126th Annual Dinner & Presentation 2017

This year's Annual Dinner and Presentation evening will be held at the Brickhampton Court Golf Complex, Cheltenham Road, Churchdown, GL2 9QF, on Saturday 25th November 2017, commencing at 6.30 for 7.30.

Our special guest speakers this year is Rachael Elliott who has just chopped nearly 30 secs off her personal best, with the third fastest female 10 mile time of all time, 19:40, to win the fabulous Team Swift Ladies' 10 Miles TT event.! Lives in Newbury-Berkshire

There will be a short presentation of selected prizes after, and this will be followed by the usual Raffle.

The meal will be a three course Dinner to include coffee. A vegetarian option is available. I have attached a menu which hopefully will give you all the opportunity to consider and make a selection in sufficient time for me, the Dinner Secretary, to finalise details with the caterers. The cut-off date is **20th October** so be warned! The cost has been set again the same price as last year at £20 per head and £10 for juniors. There is a comprehensive wine list and of course the bar will be available with a choice of beers or alternative beverages.

If you wish to attend then please use the attached form to advise numbers and choice of food as soon as possible and return it to the Dinner Secretary either by mail or email. In addition, those who request it will be sent an individual letter and booking form. Please note however that numbered tickets will not be issued & there is a maximum limit of 100 people.

Payments should be paid directly into the Gloucester City Cycling Club bank account, details of which follow.

Each year, as you will all be aware, we hold a raffle after the presentation. It is a bit of fun and generates some funds for the club, but its success depends very much on the generosity of our sponsor, Yellow Ltd., local businesses, and members. If you are able to donate an appropriate prize, it would be much appreciated and will help to offset presentation and dinner expenditure.

Further information will be on the Gloucester City Cycling Club web page and Facebook.

Please contact Marie Cook should you have any queries.
