*Roadman's event: Aero helmets, Wheels rims deeper than 50mm (excluding tyres), skinsuits, lo-pro frames, etc. may be used but each will add one minute to the rider's time

All 10 and 25 mile events count towards the season long CEBAR competition. Details of this and other competitions are on the web site's Race Trophy pages.

Events are subject to Covid control measures and require riders to bring with them:

Pen

Means of contactless payment

Face mask

Rear light (mandatory)

Front light (advisory)

Safety pins (to attach race number)

Check the web site for further details of our protocol.

All details are correct as of March 2021, but subject to change as external events dictate.

unable to marshal as designated it is your responsibility to swap duties and advise, or with any other queries, please contact Daryl Stroud, the Racing Secretary.
