12/09/2022	10:00	U72	Maisemore	25	Open			Open event

All 10 and 25 mile events count towards the season long CEBAR competition. Details of this and other competitions are on the web site's Race Trophy pages.

Roadman's event means Aero helmets, Wheels rims deeper than 50mm (excluding tyres), skinsuits, lo-pro frames, etc. may be used but each will add one minute to the rider's time.

Events are subject to whatever Covid control measures are in force at the time. We require riders to bring with them:

Pen, Means of contactless payment, Face mask, Front & Rear light (mandatory), Safety pins (to attach race number), Helmet (mandatory)

All details are correct as of January 2022, but subject to change as external events dictate. Check Facebook and or the web site on the day.

If unable to marshal as designated it is your responsibility to swap duties and advise, or with any other queries, please contact the Racing Secretary.
