REPORT OF NEWSLETTER EDITOR

Three editions of the Newsletter are produced during the year. It is a useful means of conveying information to members. Much more could be included if more members ~~were~~ would be prepared to give items. For example, we ought to include news about racing performances. Not everything that everyone did but certainly the more outstanding results. Perhaps a 'racing' person would be prepared to give a 'precise' of these results for the Autumn edition. i.e. end of September.

~~There is a lot of information in the newsletter which is not being used. It is a pity that this information is not being used.~~

Thanks to all who gave anything during 1988 especially to those who give in about 8 sides.

More short contributions would be gladly received.

Thank you
Paul Green.

I would like to thank the Timekeepers, the Marshalls and Mr. Jones who provided the refreshments. I hope to see you all next year.

R. Hook,

Event Secretary.

The membership of the Club has again increased over the last 12 months + currently stands at approx 150. This year 24 new members have joined as with 15 ^{total} seniors + 9 juniors. Our Junior membership stands currently at 18 which is 3x as many as when I took on the secretary's post 3 years ago. ^{which is a reflection of the efforts being made to attract youngsters to the Club} Indeed over the past 3 years our total membership has increased by 50% which has to be an encouraging sign for the Club + for Cycling generally in Gloucester.

~~Over the~~ Since

~~During 1988 the Committee~~

You may remember that at the AGM 1987 no organise was found for the Hensley Valley RL + it was not run this year. However during 1988 the ^{General} Committee have been active in seeking out alternate events to fill the racing calendar +

~~the~~ ~~Another~~ areas which the Committee have
~~has~~ been addressing this year have included
initial thoughts about the 100th An. in 1991
(a motion is before you) ~~and the~~ ~~also~~ Also
we have promised offers of further separation
(~~and~~ again a motion is before you tonight). In

addition an application has been ^{successfully} made to
the Glas City Letter Fund for a grant towards
training equipment + £500 has been
promised.

All of which is encouraging
for the ongoing development of the Club
into the future. ~~the club is doing well~~
