the past twelve months have been an
 excellent year for the Club on all fronts
~~We have been~~ ~~on~~ ~~the~~ We have been
 active + successful in all aspects of
 the sport + in every respect the club
 is healthy as you will have thought
 from your officers.

The success is often tinged with sadness
 + we will remember this year the deaths
 of two ^{of our} older + well respected members
 Bill Earl + Bill Griffiths. We will also
 remember the ^{older} deaths of two
 younger members; David Nelson + Steve Phelps.

~~Nevertheless~~

It is events like these that make us realize
 that life is short + we should enjoy our sport

what we can. ② To this end I believe
that this is exactly what the Gloucester
City C.C. is enabling its members
to do. We are a stay club; probably
the strongest for many miles around. Our
membership is growing + our membership
is active. Possib^{went} ~~As seen~~ to be queing up
to join us + this is all to the good.

~~We will be brought from~~

We now have ^{the} ~~a~~ ^{best} ~~strongest~~ young
memberships ~~that~~ for many years + it
is also encouraging that a small group
of active women members is emerging. This
is to be applauded + encouraged.

~~In many ways~~

the organisation of the Club is
reflected in ~~it~~ the general state of well
being & as such the committee

meetings over the ³ past year have been the
best I have witnessed in my 5 years
as Sec. Ave. attendance has ~~been~~
~~high~~ 75% of those eligible to vote with
always a handful of other members in
attendance. ^{In addition} People seem keen to go
forward into next year + already some
have offered to organise events. This is
all to the good + symptomatic of
the club ~~being~~ ~~on the cusp of a wave~~
going from strength to strength. ~~We are~~
~~not~~ We could not be in any other
in a better position to be going into
our 100th year.

GLOUCESTER CITY CYCLING CLUB.

TREASURERS REPORT 1990.

Mr President Ladies & Gentlemen,

As we enter the clubs centenary year I am pleased to be able to report another successful year and that the clubs finances are in a healthy position.

The balance sheet shows that the number of subscriptions received has this year increased by 16 the largest increase for some years. Senior membership increased by 13 and Family by 5 Junior membership reduced by 2.

Most of the events promoted by the club produced a small surplus to help to pay the engraving bill which this year increased by over £100 on the previous year.

One account which is giving some concern is the Club Room. Attendances have this year dropped from last years record of 1008 to 865 a reduction of 143 and as a result the surplus has dropped to £26.

The club has managed to raise a considerable sum - almost £600 towards expenses which will be incurred during our Centennial Year.

As to the other figures I leave you to read the balance sheet for the year.

J.L.GODLEY
Hon Treas.

CAPTAIN'S REPORT FOR THE A.G.M. 1990.

Before I go into any detail of what has been happening during the year on club runs, I would just like to thank Ann the Vice Captain who has made my job easier this year by being very enthusiastic and full of ideas. I would also like to thank Toby for producing the new runs list.

Since January the average attendance on club runs has been 20 members at coffee. The club runs have now reverted to having more all-day runs, which includes more picnics and such frivolities as Cider and wine tasting. A regular hard core of riders now attend each week which makes a change from just the Captain turning up. As you know this includes a few regular women - I am an avid supporter of women joining the club: so is Ann, as it can sometimes be a bit 'isolated' for her if only men turn up.

Since January we have reinstated the Club Runs Book. Anyone wishing to read it may do so. As from April 13th Ann has done a small weekly write-up for the 'Citizen' - these cuttings are kept in the afore mentioned Runs Book.

The Rhayader weekend has now been extended to start on a Friday evening so the touring section can have 2 nights at a B & B: this proved very popular this year and will be repeated next year. Also the club entered the Hell of The North Cotswolds for the first and won the Schneider Cup for the best team entry - the cup is circulating among all those who took part; our entry was organized by Ann.

During the summer evenings small groups of mountainbikers went for evening excursions; this still continues on some Saturday afternoons.

The Night ride has been successfully reinstated this year, which was also organized by Ann. A cider weekend was also initiated this summer and will now be an annual event. I hope these unusual events will be well supported. I would just also like to say that the new runs lists are more varied with a good selection of members leading the rides. This reflects a healthy touring section, and good fun is had by all members.

p.s.

A new trophy has been made and donated to the club by Bruce Webber. This is to be awarded to the club member with the most punctures on club runs during the club year

PETER,

Please give my apology to the A.G.M. I have a School Governors Meeting and hope to come at least for the end of the meeting.

I attach a short report as Newsletter Editor.

The note from Alf Thurston stings a bit. I would always put material received from anyone in the Newsletter. I never received any such peice of correspondence!

NEWLSTTER EDITOR'S REPORT

Im am grateful to those members who continue to provide articles and information for the three editions we publish annually. I would like to take this opportunity to thank Mrs Lyn Read for assistance with the typing and for her willing and enthusiastic support.

I am happy to ~~stand for~~ carry on as Editor if it is the Club's wish.
